CONNECT WITH LOCAL EXPERTS IN ARCHITECTURE, DESIGN AND CONSTRUCTION TO BRING YOUR DREAM HOME TO LIFE

Sponsored Content

Building a home can be a headache, but it doesn't have to be. The process requires an extraordinary amount of time, money and decisions, but with the right partners, a remodel or build can be a smooth process with a happy ending. A trusted design team that understands your vision can bring your dream home to life — with your sanity intact! The following experts in architecture, design and construction are a great resource to help you along every step of your journey to achieving that dream. Just tell them TRIBEZA sent you.

Dalglish Construction Company

Building the finest homes in Texas when details matter. An enjoyable pursuit of

Mark Ashby Design and Shiflet Richardson Architects always create a timeless yet modern aesthetic together. Their projects feature some of the most knowledgeable craftsmen in Austin and beyond. Both award-winning firms are leaders on the design scene, and have been featured together in national publications such as Elle Décor and Robb Report.

Shiflet Richardson Architects is a talented firm of passionate architects that focuses on creating homes that are functional, beautiful and of-their-place, while reflecting each unique client's personality and taste.

Mark Ashby Design is synonymous with exceptional creative vision. They have a deep reverence for history and architectural context, with a timeless aesthetic and meticulous attention to detail. Their trusted designers offer full-scope service, from unique interior concepts, to art curation and turnkey installation.

The Mark Ashby Design and Shiflet Richardson Architects collaborative dynamic has led to some of Austin's most distinctive, iconic homes.

Olson Defendorf Custom Homes

For 14 years, Olson Defendorf Custom Homes has been known for building architect-designed, one-of-a-kind custom homes in Austin and surrounding areas. Its homes have won awards with the American Society of Interior Designers and MAX awards from the Home Builders Association of Greater Austin, and they are a multiyear winner for Best of Houzz.

NEW HOMES – REMODELS – POOLS

Meredith Owen Interiors

"We believe a well-designed space can transform your life." – Meredith Owen

Austin-based interior design firm, Meredith Owen Interiors, focuses on high-end residential projects, including new construction, renovations and interior/exterior furnishings. Meredith and her award-winning design team work diligently to create a custom design experience tailored to each client. Her team believes that your home should not only function flawlessly but also reflect the people who dwell inside.

Elite Austin

Elite Austin specializes in all things furniture, for rent or purchase. Since 2008, Elite Austin has grown to a talented team of 15 furniture experts, offering Home Staging focused on marketing and optimizing the sale of real estate, Furniture Rental that transforms personal interiors into designer residences, and Interior Design services for clients needing quality furniture fast. Elite Austin creates beautiful spaces without long lead times, and the process is all about the furniture, concierge-style service and you. From their professional design team to in-house logistics crew, Elite Austin seamlessly handles all aspects of their clients' furniture needs from design and space planning, to delivery, installation and pickup.

With an always evolving warehouse of designer-curated furniture, décor, artwork and rugs, they provide central Texas clientele with high-quality, unique and stunning living spaces that exude style and sophistication. Elite Austin is the design partner you have been searching for.

Graceful Spaces Organizing

Graceful Spaces is passionate about creating beautiful spaces, but more than the aesthetics, we love building systems and solutions that support our clients' lifestyles and allow them to achieve their goals.

Together, we'll set you up for long-term success and inspire simplicity throughout your home. We help you establish rhythms and routines that will empower you to take control of your time rather than react to the demands of life.

In addition to whole-home organizing, our team is equipped to handle custom projects, including new build consultations and design work, ensuring every square foot of the home is used to its maximum potential.

Graceful Spaces is home organization reinvented!

The Southern Loom

The Southern Loom fuels Laura Branson's passion in finding beautiful vintage and antique rugs with unique colors and designs. Her rugs are sourced through international relationships and fairly priced so that everyone can have a beautiful vintage piece in their home design. Every rug is carefully chosen and joyfully added to The Southern Loom collection by Laura.

Urbane Design

Urbane Design is a full-service interior design firm specializing in new home construction and remodeling. We believe that confidence begins with a well-designed, carefully planned home. When you inhabit spaces that are designed for how you live your life, a certain ease is introduced to your day-to-day. You feel happy, content and inspired — which helps you be your best self outside of the home, too.

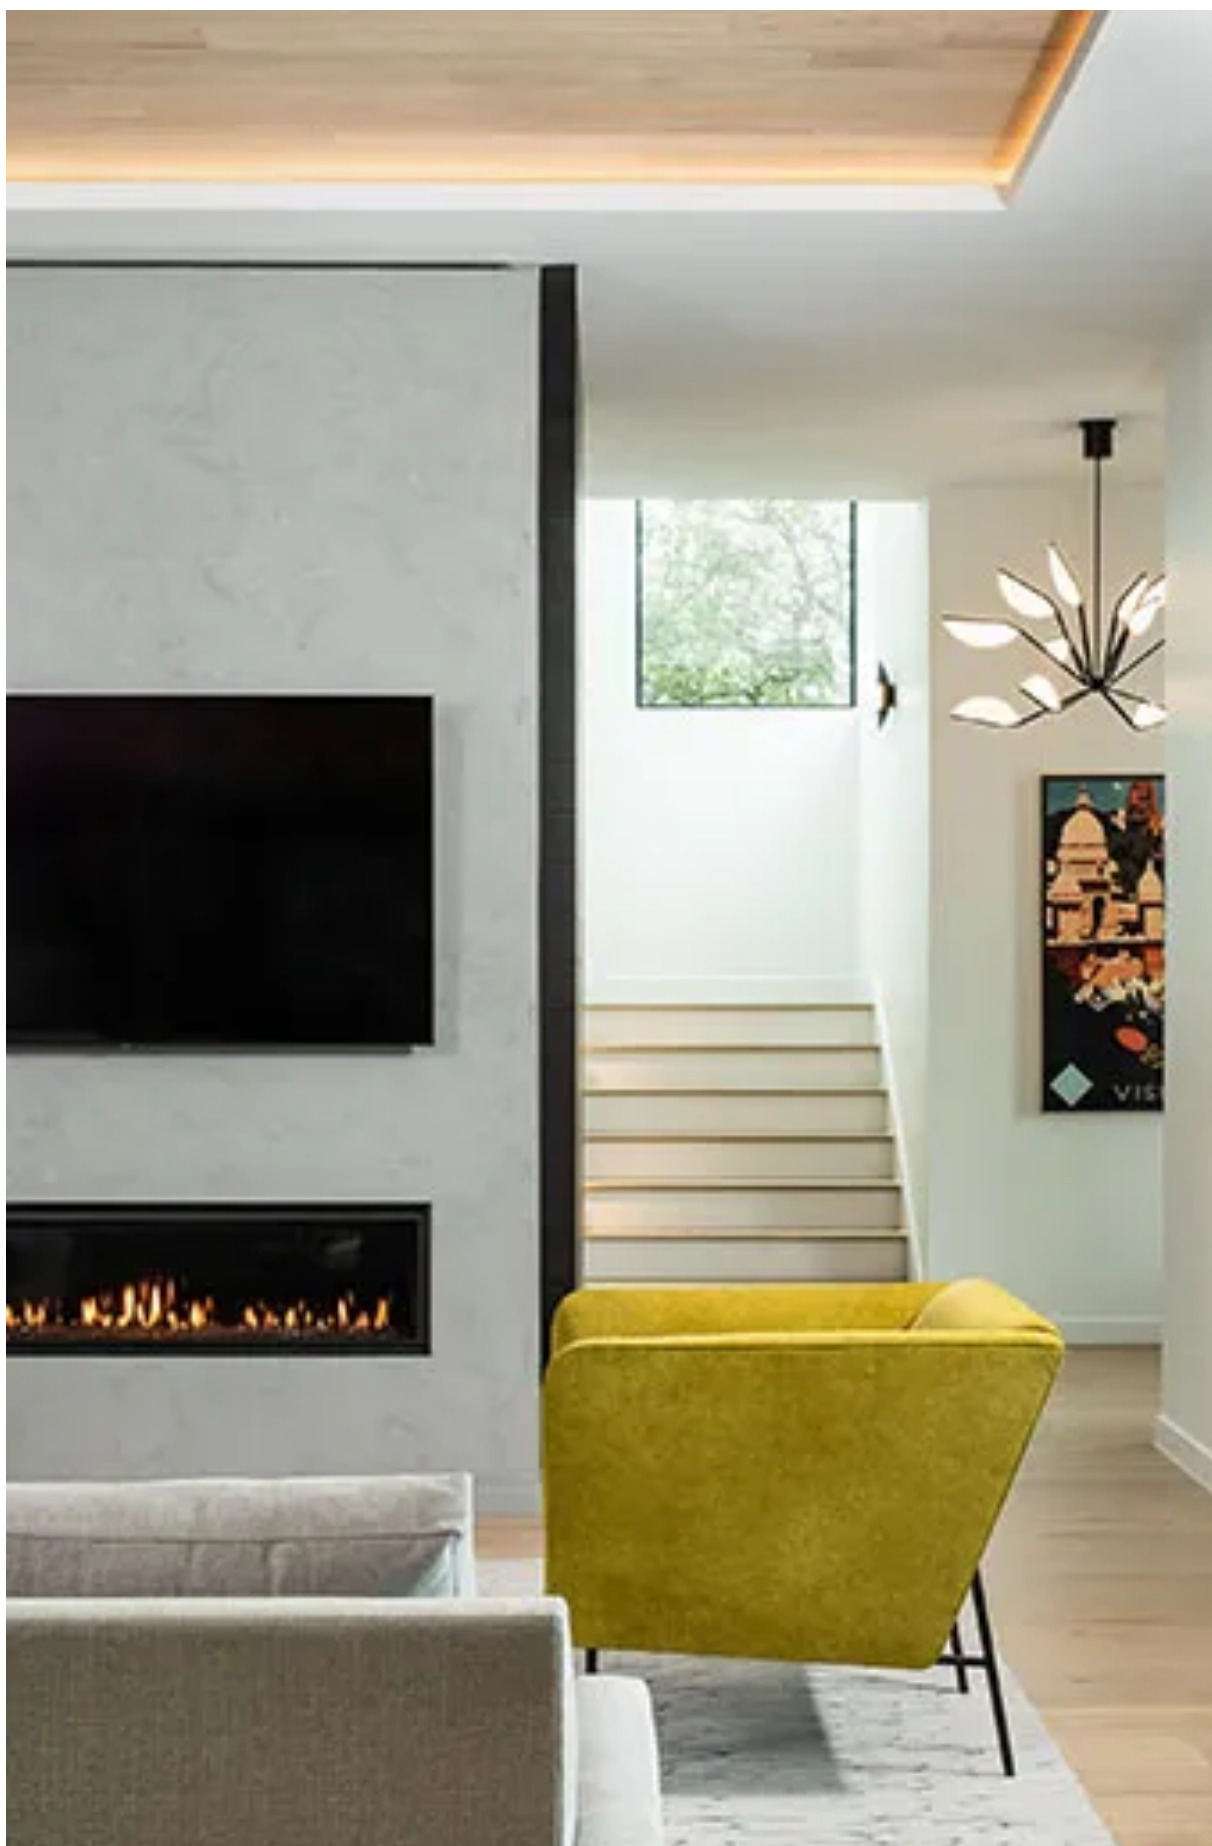

We take painstaking efforts to understand your lifestyle — Do you have pets? Children? Do you like to entertain? — so that we can design a space that is both visually stunning and functional.

Good Eye Concepts is passionate about all aspects of the process from concept to completion, providing project management and personal guidance to each of their clients. Whether it's acquiring a new space, renovating a beloved property, or designing and staging interiors, they put the same intention and enthusiasm into each phase of your project. By establishing a fluid relationship and flow of communication between designer, contractors and client, Good Eye is honored to earn and exceed expectations.

Kelle Contine Interior Design

Kelle Contine Interior Design is a boutique, full-service Interior Design studio, specializing in residential and commercial interiors in Austin and across the country. With attention to detail and a holistic design approach, KCID collaborates with clients alongside the finest architects, builders and industry professionals to create functional and beautiful interiors.

3 Fold Design Studio

Combining their collective expertise in architecture and interior design, Page and Allison offer award-winning full residential design services. From new construction to larger remodels, they focus on finding creative, innovative solutions in a client-focused process that brings spaces to life.
